Spring 2025 Commencement Ceremony Information

May 17, 2025 – Stocker Stadium – 8 am and 11:45 am

There will be two ceremonies divided by degree/major.

Go to www.coloradomesa.edu/commencement to determine ceremony participants.

Online streaming of the ceremony will be at CMUMavericks.com/tv or Facebook Live.

Venue – Stocker Stadium

Guests should arrive about 45 minutes before the start of the ceremony. Tickets are not required. Guests can enter through the main entrance from the Lincoln Park main lot or enter through the West Entrance facing 12th Street. Please refer to the Stocker Stadium Seating Map and the Parking and Traffic Control Map. The North Avenue Entrance will be closed; arriving at this location will require you to walk around to the other entrances.

Bring weather appropriate gear such as sunscreen, jacket, boots, hats, gloves, poncho, umbrella, etc. The concession stand will be open near the main entrance, however, guests are strongly encouraged to bring their own water and water bottle. The Stadium is equipped with only one water fountain.

Seating is available on either side of Stocker Stadium. Limited seating/standing room is available on the north side of the field behind the roped off area for the graduates. Guests are not allowed in any of the reserved areas, including the pre-staging area on the north side of the Suplizio Field stands where graduates are assembling and having their photos taken.

ADA and Accessible seating are limited to the guest in need plus one companion. Accessible seating is available on the track in front of the stands on either side of the stadium and is available in limited quantity in the stands.

Guests should remain in their seats once the ceremony has started. Photographs may be taken from your seat. Professional Photographers will be taking photos of your graduate before the ceremony and as they shake hands with the President.

Once the Ceremony is over, please exit the stadium promptly to avoid congestion of those arriving for the second ceremony.

Parking

Please refer to the parking and traffic flow map on the commencement website. Guests and ceremony participants are strongly encouraged to park in the Lincoln Park main lot. Parking will also be available in all Colorado Mesa University parking lots free of charge in appreciation of our graduates and their supporters. Please be courteous of surrounding neighbors and businesses, whose parking lots are reserved for normal business traffic.

For those attending the 8am ceremony, please make post-ceremony arrangements to leave the parking lot by 10:30am to avoid congestion of those arriving at 10:45am for the second ceremony.

Receipt of Diploma

Diplomas are not issued during the ceremony. They will be mailed to each graduate approximately eight weeks after the conferral date that corresponds with the semester in which all degree requirements are completed. After the Registrar's Office reviews final requirements and grades, degrees will be awarded. This process takes six to eight weeks. To see if a degree has been awarded during that time, students may check their unofficial transcript through MAVzone. Once awarded, official transcripts can be used as proof of degree.

Registrar's Office
